

TOUGH GUY® FLOOD BAGS

Water-Activated Flood Protection Ready in Minutes

Tough Guy® Flood Bags are compact, lightweight flood barriers that activate with water and expand into a gel-filled barrier to help block, absorb, and redirect floodwater. Ideal for homes, garages, doorways, businesses, facilities, and hurricane preparedness, they provide fast, temporary protection wherever flooding is a concern.

How It Works

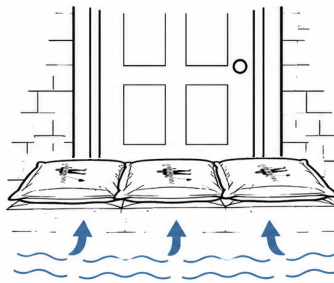

- 1 SOAK**
Activate in fresh water.

- 2 EXPAND**
Bags expand into a gel-filled barrier in minutes.

- 3 PROTECT**
Place where needed to help reduce water intrusion.

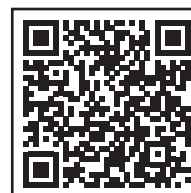

KEY BENEFITS

- Activates in 5-10 minutes
- Compact & lightweight storage
- Rehydratable after drying
- No sand required
- Indoor & outdoor use
- Non-toxic & biodegradable
